Duralife die-cast cookware

Die-cast Cookware

Wonderchef Die-cast cookware is the toughest cookware available. Proven by a rigorous test, the range is so sturdy that the cookware doesn't lose shape even if an SUV car runs over it. The DURAMAX Japanese non-stick coating ensures minimal oil use, excellent abrasion resistance, and is 100% free from PFOA for healthy cooking. It is energy efficient and compatible with all cooking surfaces.

Cast-iron Cookware

Wonderchef cast-iron cookware is an ideal companion for heavy-duty and authentic cooking and is designed for a longer shelf life. Due to its thickness, it withstands a longer cooking duration and ensures even heating and heat retention. One of the most significant advantages of Wonderchef cast-iron cookware is that it not only helps preserve food nutrients but also releases some amount of iron content in your food, making it healthier.

Ferro Light-weight Cast-iron

Stainless Steel Cookware

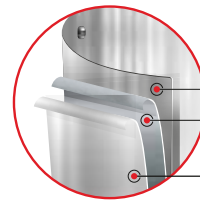

Wonderchef Stainless steel cookware is made only from superior 304 quality stainless steel, which is anti-rust and of the highest 18/10 grade. These steel pans last longer and carry a warranty of up to 10 years against rusting, cracking, and material defects. To overcome the low conductivity of steel, these Wonderchef pans are made in 3-ply steel or have a 3-ply bottom. A layer of high-conductivity aluminium is sandwiched between the steel layers for uniform heating and better cooking results.

Nigella Triply

10
YEAR
WARRANTY

- Made from 304 stainless steel, which is anti-rust and non-reactive to food and anti-rust
- Perfect thickness of 2.6mm for optimum performance
- Distributes heat evenly and prevents burning of food
- Aluminium sandwiched between steel layers to achieve even heat distribution

3-PLY CONSTRUCTION

(Stainless Steel-Aluminium-Stainless Steel)

- 304 Stainless Steel Interior is food-grade
- Aluminium Core is 9 times better conductor of heat than steel, and aids in fuel saving and in Even Heat Distribution
- Magnetic 430 Stainless Steel exterior is suitable for gas stoves and induction cooktops
